**CHECKLIST FOR
ADVANCED PLACEMENT LPN -to- ADN PROGRAM
Fall 2028 Admission**

Dear Applicant,

This Checklist will enable you to create a personal record of the documents/activities that you have completed towards applying to the Advanced Placement LPN to RN Nursing Program.

Admission Information and Important Application Dates:

- Deadline to request criteria review is the 2nd Monday in January, 1/10/28
- Program application will open on the 2nd Monday in February at 9AM, 2/14/28
- After 2/14/28, applications will be reviewed and processed as they are received or until the cohort and waitlist have filled.

Admission to the Advanced Placement LPN to RN Nursing Program is competitive and seats are limited. After having met with a health program academic advisor to verify completion of all admission requirements, applicants will be provided access to the online application to be considered for admission. Seats fill quickly for program admission and the waitlist.

The information below reflects the MINIMUM standards and requirements to be considered for admission.

Academic Advising:

Individuals interested in applying to the Advanced Placement Nursing Program are encouraged to meet with a health program academic advisor to answer questions.

- ☐ Application for admission (if you are a new student or have not been enrolled for the previous three years)
Major Choice: General Studies: Health Specialization, Interest in Advanced Placement LPN-to-ADN.
- ☐ Official transcript showing evidence of high school graduation, or the equivalent with passing GED or HiSET scores.
- ☐ Official college transcript(s) if transfer credits are being requested. Any course transferred must have a grade of "C" or higher. (See exception below regarding sciences)
- ☐ Submit Official Transcripts from your LPN Program.
- ☐ Must attend a Mandatory Nursing Information Session between January 2027 and December 2027.
For Information Session dates, please refer to the associate degree Nursing webpage.
- ☐ Proof of current LPN license in good standing.
- ☐ Complete the attached Employment Verification Form to demonstrate that they have been professionally employed as an LPN. Applicant does NOT need to be continuously employed to qualify. Employers will return form to Student Records at the Haverhill Campus.
- ☐ Completion of the ATI RN Fundamentals Assessment Test. Applicants are limited to two attempts within an application cycle (January 2027 to December 2027). Students must score at proficiency level 1 or higher.

☐ Required Courses: Successful completion of the following college level courses (final grade of 'C' or better) is required for admission to the LPN to RN program:

- English Composition I (ENG 101)
- English Composition II (ENG 102)
- Introduction to Psychology (PSY 101)
- Lifespan Psychology (PSY 110) **OR** Developmental Psychology I (PSY 201) and Developmental Psychology II (PSY 202)
- Anatomy & Physiology I (BIO121)
- Anatomy & Physiology II (BIO122)
- Microbiology (BIO220)
- Introduction to Sociology OC101)
- Humanities Elective (seek advising recommendations)

NOTE: All sciences that are required, as part of the program, must be completed within the seven (7) years prior to the anticipated start date of the nursing program to count as credits towards completing the program. **If sciences are more than 7 years old, they must be retaken to meet nursing program admission standards AND to meet the program requirements for other coursework e.g. nursing corequisites. A 7yr. science waiver will not be granted. This means any A&PI, A&PII, and Microbiology course completed before fall 2021 must be retaken to meet application and program completion requirement.**

☐ Science Repetition Requirement:

All sciences, regardless of where the sciences are taken, that are being used to meet the Criteria for Advanced Placement LPN to ADN, can only be taken a total of **two times each**, in the 7yrs prior to application, in order to achieve the required "C" or higher grade.

IMPORTANT FINAL STEP:

☐ Request for final review of criteria – To be eligible to apply to the Advanced Placement LPN to RN Nursing program, all the above criteria must be complete. To be considered for application to the Advanced Placement LPN to RN Nursing Program for fall 2028, all prospective applicants must email healthprogramadmissions@necc.mass.edu.

If there are significant changes in the admission criteria, students on the wait list may be required to comply with the new criteria. Changes made to criteria are approved by the academic program faculty to meet current accreditation requirements.

ADDITIONAL PROGRAM INFORMATION

Good Academic Standing: All students applying to the Associate Degree Nursing Program must be in Good Academic standing based on NECC Academic Standards and Progress Policy.

Program Capacity

The Advanced Placement LPN to ADN Nursing Option has a limited number of seats.

NOTE: Computer Requirements

All students are required to have a Windows compatible laptop (not a tablet) for test taking.

These criteria describe the MINIMUM standards that must be met in order to be reviewed for admission to this option. Currently, the number of qualified applicants exceeds the number of available seats. Consequently, once it has been determined that the applicant meets the MINIMUM criteria, he/she is admitted on a rolling admission process.

Wait List Status

If program capacity is met, the applicant will be placed on a waitlist.

If there are significant changes in the admission criteria, students on the waitlist may be required to comply with the new criteria. This decision is at the sole discretion of the academic program faculty.

Health Requirements

Information regarding the College's health requirements will be sent to you upon your acceptance to the program.

Information about the Program's Technical Standards that describe the physical and behavioral characteristic required to successfully complete the program are available [at our website](#), and we encourage you to review these as soon as possible.

CPR Certification

All students in the Nursing Program are required to hold CPR certification at the Health Care Provider or Professional Rescuer level. Evidence of current certification is required before a student is allowed to participate in clinical education courses, and certification must be maintained throughout the program.

Criminal Offender Record Information (CORI) and Sex Offender Record Information (SORI)

Students interested in participation in an academic program that involves working with children, the disabled, or the elderly, or a cooperative education experience or a program that includes a clinical affiliation with a private or public health care provider, may be required to undergo a Criminal Offender Record Information (CORI) check, a Sex Offender Registry Information (SORI) check, and/or a Criminal History Record Information (CHRI) check. Students will need to provide a government issued photo identification and sign a release form allowing the college to view the student's CORI or SORI reports. Depending on the contents of a student's CORI or SORI reports, participation in an academic program or a cooperative education experience or a clinical or practicum affiliation related thereto, may be denied. CORI checks may be performed pursuant to Mass. General Laws, Chapter 6, Sections 172(C), and consistent with guidelines promulgated by the Executive Office for Health and Human Services, and/or the Commonwealth's Department of Public Health. SORI checks may be performed pursuant to Mass. General Laws, Chapter 6, Section 172(C). CHRI checks may be performed based on the NH Code of Administrative Rules and state statutes to include RSA 106-B: 14 and RSA 106-B: 7, 1(b). For more information, contact Program Coordinator.

Clinical Affiliate Random Drug & Alcohol Screening Analysis Notification to Students

Please be advised that students enrolled in the following Health Professions programs are required to undergo and pass a drug screening analysis in order to be eligible for placement in a clinical facility. Students who are assigned to clinical education experiences at certain clinical facilities will be required to undergo and pass an additional random drug screening analysis in order to remain at that clinical facility. **Students who either fail to pass, or refuse to submit to, or fail to report within the required time frame for a drug screening analysis will be ineligible for clinical placement which in turn will affect their status in the program.** Health Profession programs that require drug screening analysis include Dental Assisting, Paramedic Technology, Medical Assisting, associate degree Nursing, Healthcare Technician, Practical Nursing, Radiologic Technology, Sleep Technology, Respiratory Care, Public Health, Community Health Worker, Medical Coding, Medical Billing, and Medical Office Assistant.

Information about Licensure

The Massachusetts Board of Registration in Nursing (Board), as a regulatory agency of state government, protects the health, safety and welfare of citizens of the Commonwealth by licensing qualified Registered Nurses and Practical Nurses in accordance with Massachusetts General Laws Chapter 112, sections 74, 74A and 76, and Board Regulations at 244 CMR 8.03 and 8.04. The initial applicant with one or more criminal conviction(s), and/or with past pending disciplinary action against a professional/trade license/certificate must be evaluated for compliance with the "Good Moral Character" licensing regulation.

Applicants are directed to further information regarding determination of Good Moral Character by accessing the Board [website](#).

Individuals with a court record or a criminal conviction may wish to contact the Board(s) of Registration in Nursing in any state in which they plan to work to access guidelines in determining "good moral character," before entering the nursing program. This will allow the individual to make an informed decision about choosing to pursue nursing education at this time.

Affirmative Action

CORE Academic Skill

Starting in the fall of 2014, any student enrolled in an associate degree program who is new to NECC and has no academic history at the college, must take at least one course designated as intensive in each of NECC's six core academic skills to graduate. In most cases, the program's core required courses include these intensive courses. Plan to see an advisor for more complete information about this graduation requirement.
